

DONATION FORM

Donations via Check

The Society for French Historical Studies is grateful for all of your support—your energy, your advocacy, your scholarship, and your financial contributions.

SFHS appreciates any financial support that you may be able to offer. Monetary contributions enable us to move forward in new and exciting directions. In addition, they build the endowments for prizes and awards so that we can be more generous in supporting research and recognizing premiere scholarship in French history.

If you are donating via check, please complete the form below. You may then send this form, along with your check made out to SFHS, to our Financial Officer, Lynn Sharp, at the following address:
